X BIOGRAPHY

Talking about Sara Krin is talking about strength. From an early age Sara discovers her interest in music. At age 9 she begins with **MUSIC LESSONS** and never leave it until age 17 when she purchase her first equipment. She learned herself playing with vinyl. After years of practice, in 2014 her passion share that feeling that produces the music and she decided to study **MUSICAL PRODUCTION**.

Despite being a lover of all kind of electronic music, she loves playing **TECHNO** music. After going through different rooms in **BARCELONA** and nationally, she gets her residency in 2017 every Sunday at **MORNING CLUB MATINAL**, one of the best after clubs in Barcelona and the residence in 'MU Club' every Saturday on summer 2018.

Sara Krin has a great potential, in addition to producing her own songs. With her first EP, released in October 2018, reached the list of the **100 BEST RELEASES** of Techno genre. From her creations to her work in the cabin, Sara detaches a lot of energy and strength with melodic and forceful tracks. The constant development of her ensemble and passion makes her undoubtedly one of the most emerging figures in the current electronic scene.
